FCC COMPLIANCE STATEMENT

This device complies with Part 15 of the Federal Communications Commission (FCC) Rules. Operation is subject to the following two conditions:

- This device may not cause harmful interference.
- This device must accept any interference received, including interference that may cause undesired operation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the manufacturer's instructions, may cause interference harmful to radio communications.

There is no guarantee, however, that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio or TV technician for help.

- 1. Insert iPhone / iPod touch into iMag*
- 2. Download compatible payment application from iTunes App Store*

(Merchant account is required to accept credit card transactions. Contact your hardware provider for a merchant account application)

- 3. Accept credit card transactions using your iMag payment solution.*

Pass through charging available with mini-USB cable
